LEGAL POLICY FOR PCCA

Because of our strong belief that your therapy needs are paramount, we ask you to affirm in advance that you will not ask us to testify in any legal matter if you wish to engage in treatment with us. Our experience has shown us that attempting to involve the therapist in the roles of both advocate and psychotherapist simultaneously produces significant conflicts that have the potential to disrupt ongoing treatment. If you need testimony in a legal matter, it is our policy to refer you to an outside expert witness who can perform an independent objective evaluation.

Please sign below to indicate that you have read this policy and will comply with it.
